

# CRIMSON RACING NEWSLETTER

June 2017

## Greetings from Crimson Racing!

We are excited to announce that we have placed 17<sup>th</sup> Place overall at Formula SAE Michigan. As a team we have been able to make it from 93<sup>rd</sup> 3 years ago to where we are now. This is an incredible accomplishment for our team and we could not have done it without the help and support of our sponsors. This is not the end, however, as we have already begun design for next year's competition and hope to come back even stronger.

---

## Competition

### Static Events

This is the second year in a row the team has gotten through technical inspection without a hitch. Along with this accomplishment, we are happy to announce we placed 11<sup>th</sup> overall in the Design event. We were only 2 points off from making Design Finals. The Business team also did extremely well placing 13<sup>th</sup> over in the Presentation event.

### Dynamic Events

As with the Static Events, Crimson Racing entered new territory in the dynamic events by placing 9<sup>th</sup> in Acceleration with a time of 4.247 seconds. We also placed 25<sup>th</sup> in Endurance and 14<sup>th</sup> in Efficiency. This is the second year in a row we were able to finish endurance, a task which can take out even the best of teams.

---

## Outreach

### Visitation

If anyone wants to come see the car, please don't hesitate to send us an email and schedule a time to come by the shop.

### Alumni Network

We are excited to announce an alumni network, where any alumni of our program can get a closer experience to Crimson Racing. Please contact us if you have contact information on any alumni, or have them contact us via email or social media.
